*****If an intent to supply water letter is needed for the County, please indicate to "whom" the letter needs to be addressed, and the fax number.***

*****Once the construction is complete and the appliances have been delivered and connected to the water supply system, please call Harold Seale at 713-725-3768, or email him at h.seale@sbcglobal.net, to schedule an appointment for the Customer Service Inspection (CSI.) If the CSI is not completed before the home is sold, water service will be disconnected until the inspection is completed.***

*****Must include site plan for each tap. Lot must be cleared before work can be completed.***
